DESCRIPTION OF WORK

CSULA Physical Sciences, Building 12, is an eight-story high-rise tower with two levels of basement, totaling approximately 218,000 gross square feet. The building consists of lecture halls, classrooms, offices, laboratories, lab support spaces, and storage. Building 12 was designed in the late 1960's with final construction documents dated 1969. Records show that the construction of the building was completed in 1972.

The scope of work for the above referenced project includes two phases of work. The Seismic & Building Systems Renewal phase shall bring all structural systems up to the current and applicable codes and regulations and shall upgrade Physical Sciences, Building 12 to current building codes for high rise construction including but not limited to occupancy, fire and life safety, and accessibility. The building's plumbing, mechanical, electrical, and telecommunication systems are included in the project scope and shall be replaced in their entirety.

Subject to the conditions in the RFQ and bid documents, prospective bidders for the specialty trade bid packages (BPs) listed herein may be required to prequalify* to participate in the bidding process. 8. Submission of a declaration that all information provided is true and correct.

PRE-QUALIFICATION PROCESS

CSULA and R&S have determined that specialty trade contractors must be prequalified* to submit a bid for this project. CSULA and R&S will establish a list of prospective pre-qualified bidders determined to be the best qualified to successfully perform the project. A single firm will be selected for award of each bid package. CSULA and R&S will determine, solely at their own discretion, whether a prospective bidder is pre-qualified. Each prospective pre-qualified bidder must answer all of the questions and provide all requested information, where applicable. Any prospective pre-qualified bidder failing to do so may be deemed to be not responsive and not responsible with respect to this pre-qualification at the sole discretion of CSULA and Rudolph and Sletten, Inc.

Questions and requests for clarification or interpretation of the pre-qualification documents must be submitted in writing via eMail: subqual@rsconst.com or fax: to (949) 252-1393. Questions must be submitted by the date indicated within this Notice.

Questions received after that date will be answered at the discretion of CSULA and R&S. Interested firms are responsible for checking the web site frequently to determine whether any addenda have been published. E-mail is the preferred method for transmittal of questions.

CSULA and R&S reserve the right to request, receive, and evaluate supplemental information after the indicated time and date at its sole determination. All information submitted for pre-qualification evaluation will be considered official information acquired in confidence, and CSULA and R&S will maintain its confidentiality to the extent permitted by law. Prospective pre-qualified bidders who request an opportunity will receive a written response containing prequalification determination by bid package of interest.

The decision is final.

Prequalification Questionnaires may not be accepted after the deadline.

Confidentiality of the information provided will be respected to the extent permitted by law.

This project is a public works project and is subject to prevailing wage rate laws (see Contract General Conditions, Article 35.02-c). All contractors and all tiers of subcontractors submitting proposals or bids on this project shall register to bid public works projects with the Department of Industrial Relations, and maintain current this registration pursuant to Labor Code Section 1725.5. Please go to <http://www.dir.ca.gov/Public-Works/PublicWorks.html> for more information and to register.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with CSULA within the limits imposed by law or CSULA policy. Subcontractors may be required to show evidence of its equal employment opportunity policy. The successful subcontractors will be required to follow the nondiscrimination requirements set forth in the Bid Documents and to pay prevailing wage at the location of the work.
