

ADVERTISEMENT FOR BIDS (AFTER PREQUALIFICATION*)

Sealed bids for a lump sum subcontract are invited from Demo*, Masonry, Misc Metals, Painting*, Metals Stud Framing and Cement Plaster Systems*, Landscape, Signage, Waterproofing, Plumbing* and Electrical subcontractors (hereinafter "Subcontractors") for the following work:

UCLA MEDICAL PLAZA SITE IMPROVEMENTS PROJECT
Project Number 946183.01

DESCRIPTION OF WORK:

General Description: This Project shall improve approximately 52,000 gsf of exterior plaza area at the UCLA Medical Plaza complex. The scope of work shall include upgrades to hardscape, landscape, lighting and signage in the central area between the 100, 200 and 300 buildings. All work is on the exterior of the buildings. The Project shall construct a total of (4) trellis structures: one at each of the main entrances of the three buildings and one at the connecting stair from the Medical Plaza to the Ronald Reagan UCLA Medical Center. These structures shall mark the building entrances, provide a prominent place to identify building names, and create shaded seating areas for visitors. The scope of work shall also: replace worn surface pavers with new waterproofing and concrete paving to match campus standards; update existing monument signs to improve wayfinding, recognize donors, and distinguish the outpatient facilities from the hospital and other campus buildings; replace existing plant material; provide seating adjacent to the new planting areas; and provide new irrigation systems and lighting.

The University has bid and awarded a CM at Risk Contract to Rudolph and Sletten, Inc. (LICENSE #198069) (hereafter "CM/Contractor"). CM/Contractor is responsible for bidding and awarding all subsequent subcontractor packages, including these packages. The successful Subcontractor Bidder shall sign a Subcontract Agreement directly with CM/Contractor, and shall be bound by all the terms of the contract between University and CM/Contractor. Refer to Appendix D – R&S / Owner Prime Contract Documents," which contains the contract between University and CM/Contractor, attached to the subcontract bidding documents and incorporated by this reference.

PRODUCT SUBSTITUTION DEADLINE: All products, materials and equipment related to this Project are hereby designated for evaluation of substitution prior to award. Requests for said substitutions will only be accepted at the following location:

Caylie Wallace at Caylie.wallace@rsconst.com
and will not be accepted after: **December 12th, 2017**

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the contract between the University and the CM/Contractor and to pay prevailing wage at the location of the work.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful Bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) and shall comply with all applicable federal, state and local working condition requirements.

WE ARE AN EQUAL OPPORTUNITY EMPLOYER
