

DETAILED ADVERTISEMENT FOR PRE-QUALIFICATION OF PROSPECTIVE BIDDERS

Subject to conditions prescribed by the University of California, Los Angeles (UCLA), responses to Rudolph and Sletten, Inc.'s (R&S) (LICENSE # 198069) Pre-qualification (RFQ) Documents are sought for the following work:

UCLA CHS NPI Seismic Correction Project

UCLA Project No.: 947793.01
UNIVERSITY OF CALIFORNIA, LOS ANGELES
Los Angeles, CA

RFQ will be available beginning 03/22/2018. To request an RFQ, send an email with the subject line, "UCLA CHS NPI Seismic Correction RFQ Access Request" to subqual@rsconst.com or fax to (949) 252-1393 with the following information: Company name, CA Contractor's State License Board license number, RFQ contact phone number, RFQ contact email address and Bid Package(s) of interest.

DESCRIPTION OF WORK

Seismic correction to the eleven (11) story NPI (Neuropsychiatric Institute) tower. Seismic correction work includes structural strengthening by upgrading and expanding selected existing shear walls and their associated footings; adding 4 new shear walls in plane with the tower's exterior walls and enlarging and strengthening adjacent existing column footings for their use. Selected additional strengthening via Fiber Reinforced Polymer (FRP) wrapping or bolting of structural elements, plus the selective use of steel bracing and drag struts.

Fire Life Safety correction work includes code compliant upgrade of the existing vertical wet standpipe system and removal and put-back of existing fire suppression and fire alarm system elements impacted by the seismic work.

The scope of work to complete the seismic corrections and non-structural upgrades will include selective demolition, storage as necessary, replacement and repair of building systems, elements, and finishes obstructing the proposed work.

Additional work includes the abatement of hazardous materials, exterior brick and masonry repair, and code upgrades to existing door hardware, exit stairs, drinking fountains and toilet facilities.

The building will remain occupied and operational during construction and require the coordination (by CM/Contractor) and staging (by others) of occupants. All work will be sequenced and phased and much of the interior work will be performed off-hours.

The anticipated contract value is: \$26,000,000.00

Subject to the conditions in the RFQ and bid documents, prospective bidders for the bid packages (BPs) listed herein are required to prequalify to participate in the bidding process.  - vii. Work being governed by Public Contracting Code.
 - viii. Project completed at a UCLA campus.
 - ix. Project achieved LEED rating, as certified by the USGBC, or higher.

PRE-QUALIFICATION PROCESS

R&S has determined that prospective subcontractors for the Bid Packages identified must be pre-qualified to submit a bid for this project. R&S will establish a list of prospective pre-qualified bidders. R&S will determine, solely at their own discretion, whether a prospective bidder is pre-qualified. Each prospective pre-qualified bidder must answer all of the questions and provide all requested information, where applicable. Any prospective pre-qualified bidder failing to do so may be deemed to be not responsive and not responsible with respect to this pre-qualification at the sole discretion of UCLA and Rudolph and Sletten, Inc.

Questions and requests for clarification or interpretation of the pre-qualification documents must be submitted in writing via eMail: subqual@rsconst.com or fax: to (949) 252-1393. Questions must be submitted by the date indicated within this Notice.

Questions received after that date will be answered at the discretion of R&S. Interested firms are responsible for checking the web site frequently to determine whether any addenda have been published. E-mail is the preferred method for transmittal of questions.

R&S reserves the right, but is under no obligation, to request, receive, and evaluate supplemental information after the indicated time and date at its sole determination. All information submitted for pre-qualification evaluation will be considered official information acquired in confidence, and UCLA and R&S will maintain its confidentiality to the extent permitted by law.

Prospective pre-qualified bidders who request an opportunity will receive a written response containing pre-qualification determination by bid package of interest.

Pre-qualification Questionnaires may not be accepted after the deadline.

If the prospective Subcontractor is determined to not be pre-qualified, the prospective Subcontractor may request a review by R&S. Any such request must be received by the Facility within 3 calendar days after receipt by the prospective Subcontractor of the determination. The decision resulting from such review is final and is not appealable within the University of California. Any person or entity not satisfied with the outcome of the pre-qualification must file a writ challenging the outcome within 10 calendar days from the date of R&S' written notice regarding pre-qualification determination. Any assertion that the outcome of the pre-qualification process was improper will not be a ground for a bid protest.

This project is a public works project and is subject to prevailing wage rate laws (see Contract General Conditions, Article 35.02-c). All contractors and all tiers of subcontractors submitting proposals or bids on this project shall register to bid public works projects with the Department of Industrial Relations, and maintain current this registration pursuant to Labor Code Section 1725.5. Please go to <http://www.dir.ca.gov/Public-Works/PublicWorks.html> for more information and to register.

The work described in the contract is a public work subject to section 1771 of the California Labor Code.
