### **PROPOSAL PROCESS**

R&S has determined that prospective subcontractors for the Bid Packages identified must be pre-qualified\* to submit a bid for this project.

Updates will be published at <http://projects.rsconstruction.com/new-indio-juvenile-and-family-courthouse/> E-mail is the preferred method for transmittal of questions.

The Judicial Council requires contract participation goals of a minimum of three percent (3%) for disabled veteran business enterprises (DVBEs). The Judicial Council will require the selected Subcontractors to participate in CMR's demonstration of DVBE compliance.

CMR shall competitively bid the subcontractor Bid Packages and, under the observation of the JCC and the Architect, shall award a single subcontract per Bid Package that is identified as a combination of bids and alternates that has the lowest cost while ensuring the timely construction of the Project and compliance with the DVBE Project Goal.

Information submitted by the Bidder shall not be open to public inspection to the extent that information is exempt from disclosure under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of the Title of the Government Code).

The Project will be insured under an owner controlled insurance program (OCIP) provided by the Judicial Council. A sample OCIP manual is included as Appendix D.2 to this RFP. CMRs should base their responses to this RFP based on that document. The requirements of the OCIP will include specific requirements related to Subcontractor experience, safety requirements, and related items. The actual OCIP that the Judicial Council implements may vary from the attached sample. If the CMR determines that the actual OCIP has a cost impact to the CMR and if the CMR can document that impact to the Judicial Council's reasonable satisfaction, the Judicial Council will adjust the CMR's general conditions accordingly prior to finalizing the GMP.

The CMR and all Subcontractors under the CMR shall pay all workers on Work performed pursuant to this Agreement not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed, pursuant to sections 1770 et seq. of the California Labor Code. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Agreement, as determined by Director of the State of California Department of Industrial Relations, are on file at the Judicial Council's principal office. Prevailing wage rates are also available from the Department of Industrial Relations or on the internet at (<http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>).

If it becomes necessary to employ a craft, classification or type of worker other than those listed on the internet at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>, the CMR shall contact the Division of Labor Statistics and Research to find the appropriate prevailing wage determination. If the Division of Labor Statistics and Research is unable to identify a determination that is applicable, the Contractor shall notify the Judicial Council immediately, and the Judicial Council will request a special determination from the Division of Labor Statistics and Research. The rate thus determined shall be applicable from the commencement of the Project.

License #198069

No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of, any portion of this project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Contractor shall comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing its certified payroll records to the Labor Commissioner of California and complying with any applicable enforcement by the Department of Industrial Relations. Labor Code section 1771.1(a) states the following: "A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to section 1725.5 at the time the contract is awarded."

The Project is being designed for sustainability and to the standards of LEED Silver rating including full participation in the formal LEED certification process. CMR shall provide all required documentation to the Project Architect for LEED certification from the Construction Phase.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with JCC within the limits imposed by law or JCC policy. Subcontractors may be required to show evidence of its equal employment opportunity policy. The successful subcontractors will be required to follow the nondiscrimination requirements set forth in the Bid Documents and to pay prevailing wage at the location of the work.
