

**ANNOUNCEMENT TO PREQUALIFIED PROPOSERS AND
RE-ADVERTISEMENT FOR PROPOSALS**

Subject to conditions prescribed by the University of California, San Francisco Medical Center and Rudolph and Sletten, sealed proposals for a Design Build contract are invited from prequalified proposers for the following work:

PRECISION CANCER MEDICINE BUILDING AT MISSION BAY
Bid Package 1A – Heating Ventilation and Air Conditioning (HVAC)

Project No.: 15-870

R&S Job No: 10576601

Description of Work

The University has entered into a Design Build contract with Rudolph and Sletten for this project. Rudolph and Sletten is conducting the RFP process for the HVAC trade for this project. This work is performed in phases, Phases 1 and 2 Preconstruction, which incorporates, design, engineering, preconstruction and BIM and Phase 3 Construction. The Electrical subcontractor will assume the role of a design build subcontractor. The Design Build Subcontract will require the successful Proposer to enter into the contract and to provide both design and construction services of a new Precision Cancer Medicine Building (PCMB) at Mission Bay. The PCMB will be devoted to UCSF's precision cancer program, including cancer specialty clinics, infusion center, radiation oncology therapy, pharmacy, MRI, LINAC, laboratory and other related programs. The building is proposed to be six (6) stories and approximately 170,000 GSF. The site is located at the southwest corner of 3rd Street and 16th Street in San Francisco, CA. The building will be physically connected to the existing UCSF Ron Conway Family Gateway Medical Building and will share a lobby. Currently, one existing linear accelerator in the Gateway Medical Building is located within the PCMB site. The PCMB utilities will be partly fed from the existing Energy Center, which is under OSHPD jurisdiction. The Target Cost of the Project for design and construction is \$127M. The Target Cost for the Bid Package 1A – HVAC is \$1,320,000.00.

Procedures:

Proposal Documents will be available to Proposers on Wednesday, September 28, 2016 at 5:00 PM. Prequalified Proposers can obtain complete sets of the Proposal Documents from www.smartbidnet.com. Proposers are responsible to download, print and review all documents that they have access to. This includes, but is not limited to all drawing set folders, proposal document folder for ALL TRADES and the proposal document folder for this specific Bid Package 1A. The list of contract documents is comprised of every document you have access to within the online plan room located on the proposal website. A link to the plan room will be sent to proposers at the date and time listed above.
